City of *Briſtol*, Monday *Sept.* 2. at the Guildhall of the ſaid City.

Rome, *June* 5. The Great Duke of *Tuſcany* continues here, and has viſited the ſeveral Churches to obtain the Indulgences which are granted on account of the Jubilee. The Pope has made him divers noble Preſents, and has promiſed him ſeveral Relicks, and particularly the Body of St. *Stephen*, his Highneſs being Great Maſter of the Knights of the Order of St. *Stephen*, inſtituted by one of his Anceſtors. The Great Duke of *Tuſcany* reſolving to be here *Incognito*, and not to receive or pay any Viſits of Ceremony, the Pope invited him to the Palace, and being brought into a Chamber adjoyning to that where the Conſiſtory is held, when the Conſiſtory was over and the Pope was retired, all the Cardinals that were there came to the Great Duke, and made him their Compliments. The Queen Dowager of *Poland*, and the Princes *Alexander* and *Conſtantine* her Sons, are ſtill here. The Pope has wholly put off his Journey to *Port Anzo*. The Prince of *Monaco*, Ambaſſador from *France*, has had Audience of the Pope, to acquaint him, that the Moſt Chriſtian King is very well pleaſed with the choice he has made, of Signior *Gualtieri* to be his Nuntio at the Court of *France*.

Leghorne, *June* 6. The Gallies which attended the Great Duke of *Tuſcany* to *Nettuno*, are come back to *Porto Ferraio*; His Highneſs intends to return hither from *Rome* by Land, and may be expected about the middle of this month. A Ship belonging to this Place took lately in the *Levant* a *Turkiſh* Veſſel, which was bound from *Scanderoone* to *Conſtantinople*, and laden with Coffee and Rice, and carried her to *Maltha*. A *French* Veſſel is come in here in 15 days from *Tunis*, the Maſter whereof reports, that the Dey of *Tunis* was preparing to bring into the Field an Army of 16000 Men, and 30 Pieces of Cannon, but it was not known upon what deſign.

Venice, *June* 11. An Expreſs was ſent this week with further Inſtructions to Signior *Grimani*, Commiſſioner from this Republick in *Dalmatia*, who has renewed his Conferences with the *Turkiſh* Commiſſioner for ſettling the Limits in thoſe Parts. Signior *Gabrieli Zorzi*, who was choſen to be Ambaſſador from this State at *Vienna*, being made a Procurator of St. *Mark*, is excuſed from that Employment, and the Senate have made choice of Signior *Baptiſta Nani*, to go to *Vienna* with the ſame Character.

From the Saxon *Camp near* Riga, June 8. *N. S.* We have received Advice, that the *Swediſh* Army, which is encamped near *Riga*, has within theſe few days been joined by 4000 Men more from *Finland*, and that they expect a further Reinforcement of 6000. They continue to ply us very warmly from two Batteries they have lately made, the one in an Iſland, and the other on a flat Boat in the River *Dwina*, and they have made a Bridge from their ſide of the River to the ſaid Iſland. Yeſterday a Detachment from the *Swediſh* Camp came over the River in Boats at *Jenferenhoff*; but the Forces that lately joined us from *Littuania*, which are encamped over-againſt that Place, obliged them to repaſs the River with the loſs of divers of their Men.

Mittaw, *June* 11. General *Fleming* is daily expected here from *Warſaw* in his way to the *Saxon* Camp near *Riga*, his Equipage being already arrived. The *Swedes* continue on the other ſide the *Dwina*; They have received a Reinforcement of 4000 Men, and expect to be joined very ſoon by 6000 more, after which 'tis ſaid they will paſs the *Dwina*, and attack the *Saxons*, who in the mean time are intrenching themſelves. The Reports we have had, that the *Muſcovites* were aſſembling ſome Troops in order to aſſiſt the *Saxons* by making a Diverſion againſt the
